

# CRAFTING PERSONALIZED INTERIOR SPACES

Cubebbee Design Sdn Bhd, as its Chinese name "Cubebbee" (优美) implies, stands for "better than perfect"—a level above perfection. The company's core mission is to fulfill and enhance clients' dreams of living, working or staying in environments they have long desired, through a blend of expertise and professionalism. The ultimate objective is to deliver exclusive designs and exceptional experiences that transform living spaces into unique and personalized havens.

Established in 2017, Cubebbee Design Sdn Bhd is a full-service interior design and build company with over 10 years of experience in both the commercial and residential interior design industry. The company has built a solid reputation for creating timeless, beautiful interiors that stand the test of time. Specializing in retail and F&B restaurant renovations, Cubebbee offers a comprehensive range of services, including wet work, electrical work, plumbing, carpentry, window furnishing, ACMV, kitchen equipment, signboard design, loose furniture, wet chemical system work, exhaust and fresh air systems, gas works, factory setup, building setup, and more.

## THE LEADING COMMERCIAL INTERIOR DESIGNER

The Cubebee Design Team is renowned for its personalized approach to interior design, providing tailored solutions that meet each client's unique needs. The team's attention to detail and superior craftsmanship are evident in every project they undertake, supported by extensive planning and execution. Working collaboratively with experts in various fields, Cubebee designs spaces that are not only aesthetically pleasing but also functional, productive, and rejuvenating.

One of Cubebee's key strengths is its ability to balance creative ambitions with commercial demands. Their vast experience and deep understanding of the commercial landscape, coupled with creative agility, allow them to deliver inspired solutions that meet both the artistic and practical needs of their clients. Known for delivering high-quality projects on time, Cubebee has earned a loyal client base, with many returning or referring others due to their reliability and excellence in execution.

By consistently prioritizing teamwork, precision, and high standards, Cubebee Design Sdn Bhd continues to set new benchmarks in the interior design industry, offering unparalleled service and solutions that resonate with clients seeking both creativity and functionality in their spaces.
