

NEW VISION FOR REAL ESTATE

Dato Vincent Nee

From a university student at the age of 20, who started the real estate rental business, Dato Vincent Nee is now the founder of over 8 companies that actively service the real estate industries.

He has dedicated over 15 years to establishing a real estate investment ecosystem that provides property investors with one-stop, worries-free solutions in their investment journey. With the vision of Becoming a World Class Most Respectful Real Estate Investment Ecosystem, Vince Group and respective subsidiaries provide professional real estate-related services, including development & marketing advisory, property agency and financing, investment education, property rental and management services, property technology and so on.

The subsidiaries under Vince Group include Vince Properties Sdn Bhd, which focuses on property development, marketing, and advisory services and Prop Wealth Sdn Bhd, specializing in property sales and financing. Vince Academy Sdn Bhd serves as a property investment and education platform, while Reka & Bina Lab Sdn Bhd offers services in construction, renovation and interior design. Maxihomes Management Sdn Bhd handles asset rental and management as well as accommodation provision. Lastly, Whale Fusion (StayWhale Apps) is dedicated to property technology innovation.

THE REAL ESTATE TRENDSETTER OF THE YEAR

Dato Vincent Nee has always showcased his remarkable characteristics as an innovative, creative, passionate pioneer in the real estate industry. He is the game changer in this traditional industry, making advanced and aggressive movements thereby pushing the companies to grow at a rapid speed despite the effects of the pandemic. He has represented the strong core values of selfless sharing, efficiency, innovation, creativities and risk-taking, which align the direction, vision and mission of respective real estate companies under his leadership.

To date, Vince Group has engaged in over RM 1.98 billion worth of property transactions and development, educated over 21,353 investors to generate profit through investment, managing 1,978 properties and designed over 1,017 properties. With the strong and passionate >500 team members under the same roof and with the mission of Vince Group that everything related to Real Estate is Our Business, Vince Group is on its pathway to replicate the business over Malaysia and even overseas.
