

JOURNEY IN ONLINE EDUCATION

Eric Ang.

(Dr) Eric Ang

(Dr) Eric Ang, recognized as The Leading Online Education Entrepreneur, has significantly transformed the online learning landscape in Malaysia with over 13 years of expertise in the sector. As the founder of VKids Trend Sdn. Bhd. and VStudyTech Sdn. Bhd., (Dr) Eric has made significant strides in the education sector. His innovative online learning platform, VSchool Trend Learning Program and the VSchool Smart Centre franchises have transformed educational opportunities for students across Malaysia.

Under (Dr) Eric's visionary leadership, VKids Trend launched the VSchool Trend Learning Program, a cutting-edge online platform for Malaysian students from preschool to Form 5. This online learning programme, featuring over 30 unique features, aligns with the latest Malaysia school syllabus, empowering students to learn independently while allowing parents to monitor progress easily.

THE LEADING ONLINE EDUCATION ENTREPRENEUR

Eric Sing

(Dr) Eric's vision encompasses more than academic success, he aims to create a robust entrepreneurial platform through VKids Trend. The company not only promotes academic excellence but also equips aspiring entrepreneurs with a modern business model, comprehensive marketing strategies, and unparalleled support. This dual focus on education and entrepreneurship sets VKids Trend apart in the competitive online education market.

In addition to his many roles, (Dr) Eric is also the author of *Speedy Success*, a highly regarded book that reflects his philosophy of achieving compress and meaningful success in both business and personal development.

(Dr) Eric's commitment to education is reflected in his talks at nationwide schools, reaching over 10,000 students and more than 50 community talks. His success story and dedication to improving educational standards are further highlighted by his leadership in multiple award-winning initiatives. (Dr) Eric continues to drive success and innovation, making a lasting impact on education and entrepreneurship, inspiring others to pursue their dreams and make a difference.
