

# UNLOCK YOUR POTENTIAL WITH ANCIENT WISDOM

## Master Suyen Lim 林舒苑

Master Suyen Lim, widely known as the Qi Men Dun Jia Business Strategist, is a distinguished expert in Chinese Metaphysics, guiding businesses and individuals to achieve financial success, strategic growth and personal transformation. She is the Founder and Principal of Supreme Divinity & Supreme Fortunity and has built a stellar reputation, empowering thousands to navigate life and business with clarity and purpose.

With over 20 years of experience, Master Suyen Lim specializes in decoding and translating complex metaphysical concepts—such as Qimen Dunjia, Feng Shui, I Ching, and Bazi Sixty Pillars—into actionable strategies that drive success in both personal and corporate spheres.

## THE LEADING ORIENTAL METAPHYSICIAN OF THE YEAR

Master Suyen Lim's mission is to preserve and share the 5,000 years of ancient knowledge, passing it down to future generations—whether parents or young adults—to lead purposeful lives, discover their true potential, and make pre-informed decisions that promote prosperity and well-being. With a deep belief in the influence of cosmic energies, she asserts that "We are the sovereign masters of our destinies and our actions are the universe in motion, unfolding toward its ultimate purpose." Through her expertise, she equips individuals with the tools to harness their mental and energetic capacities, transforming aspirations into tangible outcomes.

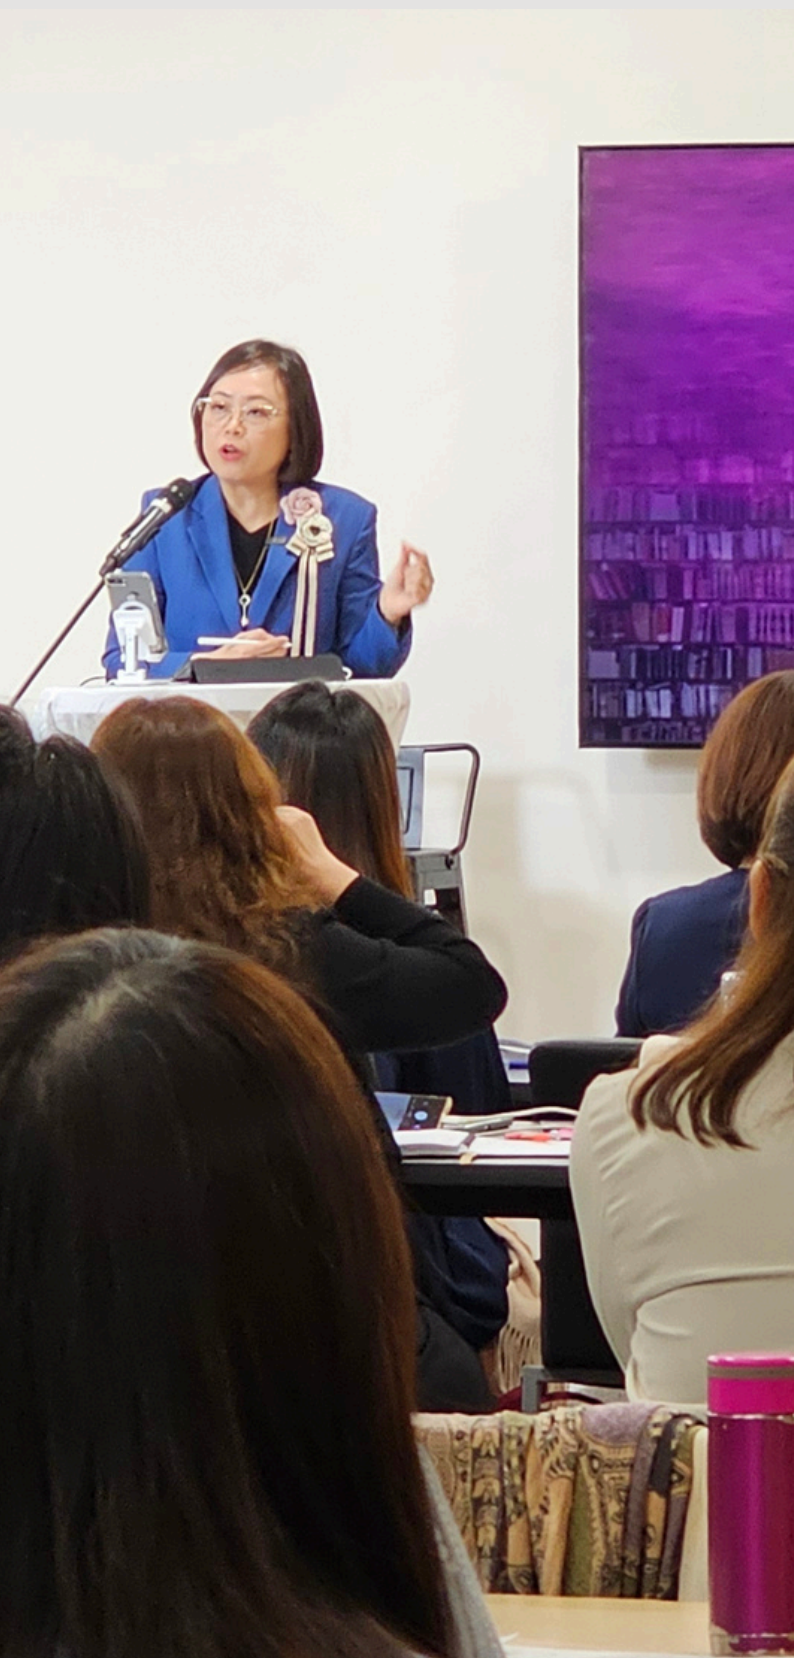

Leading a highly skilled team, she offers a range of exclusive services, including Qimen and Feng Shui Business strategies, Personalized Destiny Planning, and comprehensive online classes. Her extensive experience includes conducting over 773 comprehensive Feng Shui assessments for properties ranging from residential homes to large industrial complexes and commercial spaces, ensuring a harmonious flow of energy that enhances prosperity, productivity, and well-being. She has also provided more than 3,139 personalized Bazi-Destiny and Qimen-Strategy consultations, yielding transformative, life-changing outcomes.

A trusted advisor to multiple publicly listed companies, Master Suyen Lim's tailored metaphysical strategies enhance decision-making processes, uncover opportunities, and mitigate risks. She is instrumental in talent management, business expansion, and corporate rebranding, applying metaphysical wisdom to steer companies toward success. Her expertise is acknowledged through prestigious accolades, including a distinguished honor from the Royal Family of Negeri Sembilan.
