

THE LEGENDARY ESPORTS ICON (MALAYSIA)

MUSHI

Mushi, born Chai Yee Fung, is a distinguished figure in the world of Dota 2. The lad from Rawang, Malaysia boasts a rich tapestry of accomplishments that transcend both player and coaching roles. Renowned for his strategic brilliance and adaptability, Mushi's journey through Dota 2 has been defined by remarkable triumphs and contributions to the esports landscape.

His competitive prowess is underscored by stellar performances at The International, where Mushi clinched a 3rd place finish in 2013 and two consecutive 4th place finishes in 2014 and 2016. These accomplishments solidified his reputation as a consistent force on the global stage.

Mushi's accolades extend beyond The International. In 2013, he secured 1st place in both the WPC ACE Dota 2 League and the PGL Open Bucharest, showcasing his versatility and dominance in diverse tournament formats. The pinnacle of his achievements came in 2018 when he triumphed at the Dota 2 Asia Championships, further cementing his legacy.

Transitioning seamlessly into coaching, Mushi lent his strategic insight to Mineski and BOOM Esports guiding the team to new heights. His coaching prowess extended to Team Malaysia at the Asian Games 2022 where his leadership contributed to the team's bronze medal finish. Mushi's impact as a coach highlights not only his ability to excel in different facets of the esports ecosystem but also his commitment to nurturing emerging talents.

MALAYSIA ESPORTS LEGENDARY PIONEER

Beyond the gaming realm, Mushi proudly represents Cooler Master as a brand ambassador. His association with Cooler Master reflects not just his gaming excellence but also his influence in the broader esports industry.

In essence, Mushi's profile is a testament to his multifaceted contributions to Dota 2, from a decorated player with international acclaim to a revered coach fostering the growth of esports. As a brand ambassador, he continues to be a symbol of excellence, transcending gaming boundaries and leaving an enduring mark on the evolving landscape of competitive esports.

E-Sukan

E-sukan ialah suatu bentuk permainan video yang dipertandingkan dan dimainkan dengan penuh semangat kesukanan. E-sukan telah berkembang di serata dunia dan menjadi sumber pendapatan yang lumayan. Di Malaysia, e-sukan semakin popular dan negara kita telah pun melahirkan atlet e-sukan yang berdaya saing pada peringkat antarabangsa. Dalam sesi sembang santai atlet e-sukan dengan peminat, pelbagai cerita dan rahsia kejayaan mereka berjaya dicungkil.

Jenis Permainan: Multiplayer Online Battle Arena (MOBA). MOBA ialah permainan dengan misi utama untuk menerobosi kubu pertahanan dan menghancurkan markas lawan. Selain kecekapan individu dan semangat kerja berpasukan, daya fikir yang tinggi diperlukan untuk memperteguh pola pemikiran dalam merangka strategi yang berkesan. Antara permainan yang tersenarai sebagai permainan yang paling digemari ialah *Defense of the Ancients 2 (DOTA2)*.

Peminat. Benarkah atlet e-sukan mampu bergelar jutawan? Apakah komen saudara?

Sebenarnya, semakin besar pertandingan, wang terkumpul yang ditawarkan juga semakin besar. Ada pertandingan antarabangsa yang menawarkan wang terkumpul yang mencecah puluhan juta ringgit. Oleh itu, memang benarlah bahawa e-sukan mampu menjana pendapatan yang lumayan buat atlet sehingga mampu bergelar jutawan. Namun, yang lebih penting, atlet e-sukan perlu berdaya tahan dan berdaya maju untuk mencipta nama hingga peringkat antarabangsa seterusnya mengharumkan nama negara.
