Specializing in corporate and commercial law, Naqiz & Partners offers expertise in mergers and acquisitions (M&A), corporate governance, joint ventures and compliance. The M&A team, led by Datuk Khairul Ismail, the firm's managing partner, provides strategic guidance to companies in sectors such as healthcare, energy, technology and real estate.

The firm's services extend beyond corporate transactions to include projects & infrastructure, banking, intellectual property, telecommunications and real estate law. Clients commend Naqiz & Partners for its swift response times, in-depth industry knowledge and ability to address legal challenges in a business-oriented manner. The firm's multidisciplinary approach allows it to handle not only corporate matters but also regulatory compliance and dispute resolution, offering well-rounded legal support.

THE LEADING LEGAL FIRM OF THE YEAR

A significant milestone for Naqiz & Partners was its 2024 merger with HMS Law (Esther Hor, Mohanthas, Scully), a local member firm of RHTLaw Asia. The integration of HMS Law's expertise has strengthened Naqiz & Partners' position in the Malaysian legal market and enhanced its regional presence through membership in the ASEAN Plus Group, a regional legal network.

This merger, combined with the firm's established practice areas, has enabled Naqiz & Partners to grow its regional footprint while maintaining its commitment to client-centric service. The firm's ability to offer strategic advice across borders, particularly within Southeast Asia, reinforces its standing as a well-regarded corporate law firm, recognized by leading legal directories such as Legal 500 and Asialaw.
