

olivestouch

In the ever-changing world of technology consulting, Olivestouch stands as a reliable partner, driven by a deep-seated passion for empowering organisations with cutting-edge Oracle solutions. Founded in 2015, this Malaysian-based firm has rapidly ascended to become a self-funded, multimillion MYR annual enterprise, fueled by a team of Oracle experts united by a shared commitment to excellence.

At the heart of Olivestouch lies an experienced and dedicated team, each bringing a wealth of experience and an unwavering passion for delivering exceptional results. This combined expertise, coupled with a deep understanding of the Malaysian market, positions Olivestouch as an invaluable ally for businesses seeking to either go towards or optimise their Oracle applications and achieve their strategic objectives.

Guided by a mission to enable organisations with innovative and effective technology solutions that drive growth and success, Olivestouch consistently goes above and beyond, empowering businesses to achieve more. Olivestouch's comprehensive suite of services encompasses consultation, implementation, customization, project management, and operational support, catering to the diverse needs of its clients across a range of business modules and functions. With a preferred focus on cloud, Olivestouch offers a holistic approach to Oracle solutions, ensuring that businesses are equipped with the tools they need to thrive in the ever-evolving digital landscape.

THE LEADING IT SOLUTIONS
PROVIDER (PAKISTAN)

ELEVATING BUSINESSES WITH IT SOLUTIONS

What truly sets Olivestouch apart is its consistent commitment to customer success. The company's client-centric approach, built on trust, competency, and transparency, ensures that each client receives the personalised attention and expertise they deserve. Guided by a strong project management ethos, Olivestouch's team of practitioners consistently delivers successful outcomes, earning the company a reputation as the largest local Oracle applications consulting partner in Malaysia.
