

PARKROYAL COLLECTION

KUALA LUMPUR

PARKROYAL COLLECTION Kuala Lumpur is Pan Pacific Hotels Group's first hotel in Malaysia, located in the bustling Bukit Bintang district. With 527 rooms and suites, the hotel offers a unique blend of luxury, sustainability, and wellness-focused facilities.

The hotel's eco-friendly features include a vertical garden facade, biodegradable packaging, and a food-waste management system. Guests can enjoy holistic wellness on a dedicated floor, with a St Gregory spa, modern gymnasium, fitness studio, and a swimming pool surrounded by greenery.

Dining options at PARKROYAL COLLECTION Kuala Lumpur include Thyme, a culinary theatre with live cooking stations, The Botanist Lounge and Bar that celebrates Malaysian fauna, and Skye Chill, a versatile lounge transforming from a serene well-being space to a relaxing terrace lounge.

With 1,664 square meters of event space, the hotel is well-equipped for bespoke events. Experienced culinary teams and Celebration Curators are on hand to create memorable experiences.

THE TOP
SUSTAINABILITY HOTEL

The hotel's Complex General Manager, Cristian Nannucci, describes PARKROYAL COLLECTION Kuala Lumpur as an "eco-chic icon and social hub." The aim is to provide a refreshing green surrounding for guests to reconnect with nature, the community, and themselves.

Overall, PARKROYAL COLLECTION Kuala Lumpur is a luxurious and sustainable hotel that offers a holistic approach to wellness and a unique dining experience. With its commitment to the environment and exceptional facilities, it sets a new standard for hospitality in Malaysia.
