CREATING SMILES THAT MATTERS

CREATING SMILE THAT MATTERS

Constantly seeking self-improvement, Dr. Jon has completed two years of Dental Implant courses and various courses on Dental Cosmetics and Aesthetics. His expertise lies in cosmetic dentistry and dental implants, areas in which he has practiced for several years. Dr. Jon firmly believes that everyone deserves a great smile and that affordability should not be a barrier. To this end, he has developed the "Smile Design makeover" treatment protocol and program at Smileway Clinic.

Smileway Dental Clinic offers a wide range of services, encompassing General Dental Care to highly aesthetic and cosmetic procedures. Their team of skilled professionals is dedicated to providing top-notch care and ensuring patient satisfaction. Their commitment extends beyond the clinic walls, as they believe in giving back to society. Every year, Smileway Dental initiates projects to assist orphanages and old folks' homes, exemplifying their dedication to helping others. Additionally, they strive to educate the public about dental health through blog posts and informative talks, aiming to improve awareness and overall dental well-being.

Building a great company that strikes a balance between profitability and social responsibility is at the core of Smileway Dental Clinic's values. Their commitment to helping others is evident in their charitable initiatives and ongoing efforts to make the world a better place. The clinic also recognizes the importance of economic growth and job security, aiming to contribute to the local economy by creating employment opportunities through their expansion plans.
